Re: Account (s):

Dear Patient,

Completing this application will help Anderson Surgery Center determine if you can receive free or discounted services or other public programs that can help pay for your healthcare. Please complete this form and submit it to the Anderson Surgery Center in person, by mail, by electronic mail or by fax to apply for free or discounted care.

IF YOU ARE UNINSURED, A SOCIAL SECURITY NUMBER IS NOT REQUIRED TO QUALIFY FOR FREE OR DISCOUNTED CARE. However, a Social Security Number is required for some public programs, including Medicaid. Providing a Social Security Number is not required but will help the Anderson Surgery Center determine whether you qualify for any public programs.

Please submit proof of income (copies) for the entire household to process this application. Please use the following checklist and enclose all pertinent information:

- Proof of income – last three (3) paycheck stubs
- Last year's Federal Tax Return and W-2's
- Last two (2) statements for all checking, savings, stocks, bonds, annuities, etc.
- Other information requested by Anderson Surgery Center (Medicaid denial letter, if applicable)

If you did not file taxes or you need a copy of your tax return, please contact the Internal Revenue Service (IRS) to request form 4506-T. You can obtain this form by calling the IRS at 1-800-829-1040, or going to the IRS website – <http://www.irs.gov/pub.irs-pdf/f4506t.pdf> and downloading a copy of this form.
